### Mission Trip to Haiti In March 2009

Alex Banks' parents run an orphanage near Port au Prince. This is not a youth mission trip, it is open to the congregation. It is tentatively scheduled for March 14—21. A small team will visit and be put to work ministering at or near the orphanage. See the article in the December Parkminster Life for more details.

Please call or e-mail Alex at church to learn more and express your interest.
