### **Men's Chorus still has a need for a rehearsal accompanist.**

Anyone who can play individual parts to help during rehearsal would be a great help. There is no need to be able to play music to accompany the men since we do most of our things without accompaniment. Anyone interested can contact Jim Odmark at 293-1988.

### **OFFERING ENVELOPES**

As we prepare for the new year we would like as many as possible to use there assigned offering envelopes. This not only makes it easier for the counters but it also insures that you get the proper credit on your tax statement.

**If you don't have offering envelopes** , please use the "**envelope sign up sheet**" located in the narthex, or contact me directly.

**CompassCare is Growing!**

Across the nation and in Monroe County. Ten centers using the CompassCare Model will have saved 1,900 lives by year-end. Locally, CompassCare is experiencing a dramatic increase in pregnancy patients, owing to referrals from student health centers where CompassCare's new STD Testing and Treatment Services are being promoted. Want to help? We need pregnant women in their first or early-second trimesters to serve as ultrasound models during the month of January in order to train more nurses. Call our Scheduling Helpline at (585) 232-2350 to schedule an appointment
