Mission Trip to Haiti In March 2009

Alex Banks' parents run an orphanage near Port au Prince. This is not a youth mission trip, it is open to the congregation. It is tentatively scheduled for March 14—21. A small team will visit and be put to work ministering at or near the orphanage. Depending on the skills of those who wish to go, the team could do dental work, sports evangelism, building rehab, or many other things. See the article in the December Parkminster Life for more details.

Please call or e-mail Alex at church to learn more and express your interest.
